### Opportunity for Service

There is an opening for an opportunity of service for someone to be in charge of the organization of getting meals to families upon the event of an illness or an emergency situation in our congregation. If you would be willing to help out or are interested in learning more about this service, please contact Judy Badder (email [jbadder@graceland.edu](mailto:jbadder@graceland.edu); phone 784-3738).

### Book of Mormon Study Group

The Book of Mormon Study Group will re-convene on Thursday, September 18, at 7 p.m. at Joan Green's home. The agenda of the meeting will be to discuss how the study group will proceed this fall and winter season. Everyone interested in this book of scripture is encouraged to join the group.

### Update on the finances for the Lamoni Congregation

The members of the Lamoni Community of Christ have been good stewards over their time, talent, energy and financial resources which we have been so richly blessed with. We have a special opportunity to witness through our stewardship during challenging and difficult economic times.

Our budgeted income year-to-date through July is \$64,254.78. Our actual income year-to-date through July is \$55,121.81. Meeting the expenses we have committed to will require additional support of more than \$2,500 each week. We are confident that when you are informed of this that you will prioritize supporting our ministries and our mission as the Community of Christ as you have done so many times in the past. Thank you for your continued support.
